

A vibrant summer-themed poster with a teal background. It features various tropical plants like monstera leaves in orange, pink, and green, and several white daisy-like flowers. A yellow sun is partially visible behind the main text. The word 'SUMMER' is written in large, 3D, yellow-green block letters. Below it, a blue ribbon banner contains the text 'AT LEONARDSLEE'. The bottom of the poster has a solid green horizontal band with white text.
